

Introduction to GTP

GTP User Guide

Login

Before you can start trading, you would have to log in using your account. Key in your respective username and password in the empty fields below.

The image shows a login interface. At the top center is the ACE Group logo. Below it is a user icon. The main area contains two input fields: 'Username' and 'Password', each with a blue circular placeholder. A yellow button labeled 'Login' is positioned below the password field. To the right of the input fields is a callout box containing instructions and examples for entering credentials.

Please enter your Username & Password

GTP User Guide

Left-hand Bar Menu

There are 2 main menus displayed on the left-hand bar menu which are: Home and GTP.

GTP User Guide

Trade

This is where you can make a Spot Order or Future Order.

The screenshot shows the GTP Trade interface. At the top, there's a header with 'GTP > Trade' on the left and user information ('adam') on the right. Below the header, the interface is divided into two main sections: 'Spot Order' on the left and 'Future Order' on the right.

Spot Order Section:

- 'Product:' dropdown menu.
- 'Total Value (RM):' input field.
- 'Total Xau Weight (gram):' input field.
- 'OR' link between the value and weight fields.
- 'ACE BUY' button with price **RM 236.699** and unit *per gram*.
- 'ACE SELL' button with price **RM 239.406** and unit *per gram*.
- 'SELL' button at the bottom.
- 'BUY' button at the bottom.

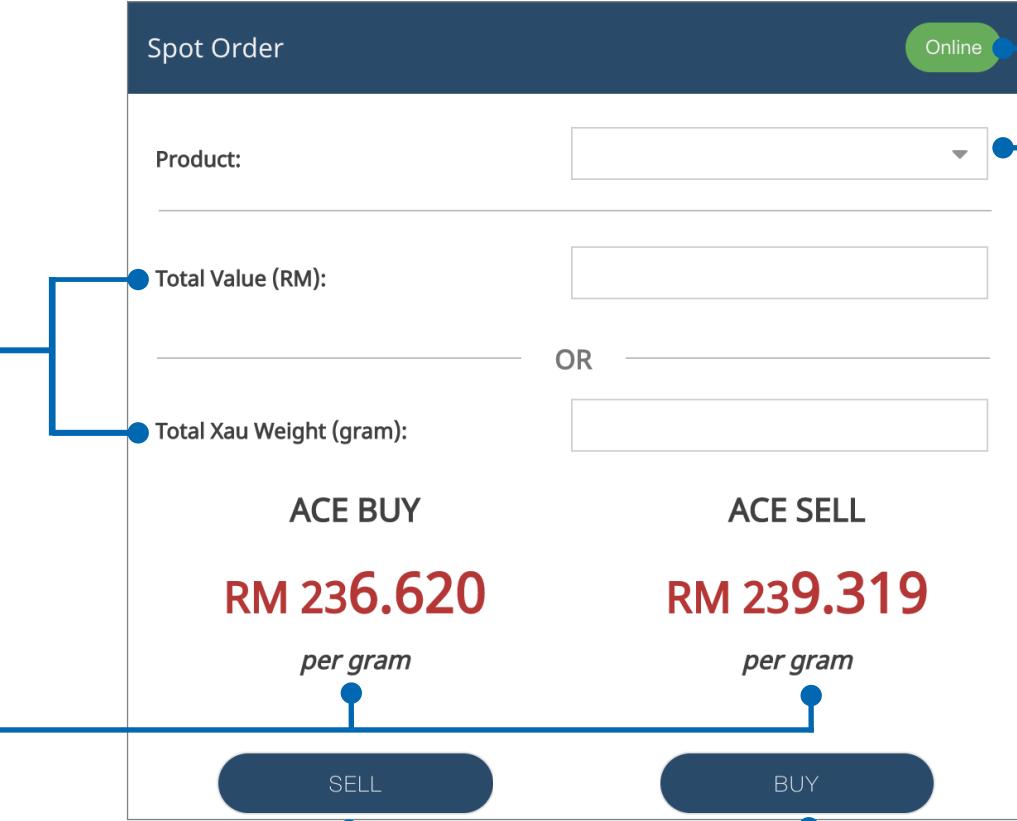

Future Order Section:

- 'Product:' dropdown menu.
- 'Total Value (RM):' input field.
- 'Total Xau Weight (gram):' input field.
- 'OR' link between the value and weight fields.
- 'ACE Buy Price (RM/g):' input field.
- 'ACE Sell Price (RM/g):' input field.
- 'QUEUE ORDER' button at the bottom.

Spot Order

GTP User Guide

Spot Order

The screenshot shows the GTP User Guide interface for placing a spot order. On the left, a modal window titled "Spot Order" displays a success message: "Your request completed successfully." Below it, the "Order Complete" details are shown:

- PRODUCT:** NS-SCRAP BAR
- FINAL ACE BUY PRICE:** 237.473
- XAU WEIGHT:** 500.000
- TOTAL EST. VALUE:** 674,236.500

At the bottom of the modal are "OK" and "Print PDF" buttons, with the "Print PDF" button highlighted by a blue circle. Below the modal, there are "SELL" and "BUY" buttons.

On the right, the "Future Order" section is visible, featuring a "Product:" dropdown and a "Print PDF" button. A callout box highlights the "Print PDF" button in this section, which corresponds to the one in the "Order Complete" modal.

Order Confirmation
Once you have successfully submitted your order, you will receive a confirmation in a pop up window. Then, you'll have an option to choose whether to acknowledge your order by clicking the 'OK' button or print your order by clicking the 'Print PDF' button.

You can view your Spot Order history of all your previous and current orders in the sub menu named 'Spot Orders'.

View Transaction Listing of Future Orders

If you need to view your previous or current future orders, you will be able to view your entire transaction listing history. Here's how to view your transaction listing:

1. Select the start and end date of the transaction period.

2. Select the transaction type based on the radio buttons which are 'My Buys' or 'My Sells'.

Transaction Listing

From *: 01/01/2021 To *: 10/25/2021

My Buys My Sells Date Range: 7 14 30 60 90 180 **FETCH**

The listing will be created with your selected dates.
A maximum range of 180 days transactions per request.
Rename the file of your choice ending with .pdf
GTP does not store transaction statements.

Unfulfilled Purchase Orders

	PO Number	PO Date	Card Code	Doc Entry	Line Nu...	Item Code	Description	Quantity	Open Q...	Draft Q...	Open C...
No Records											

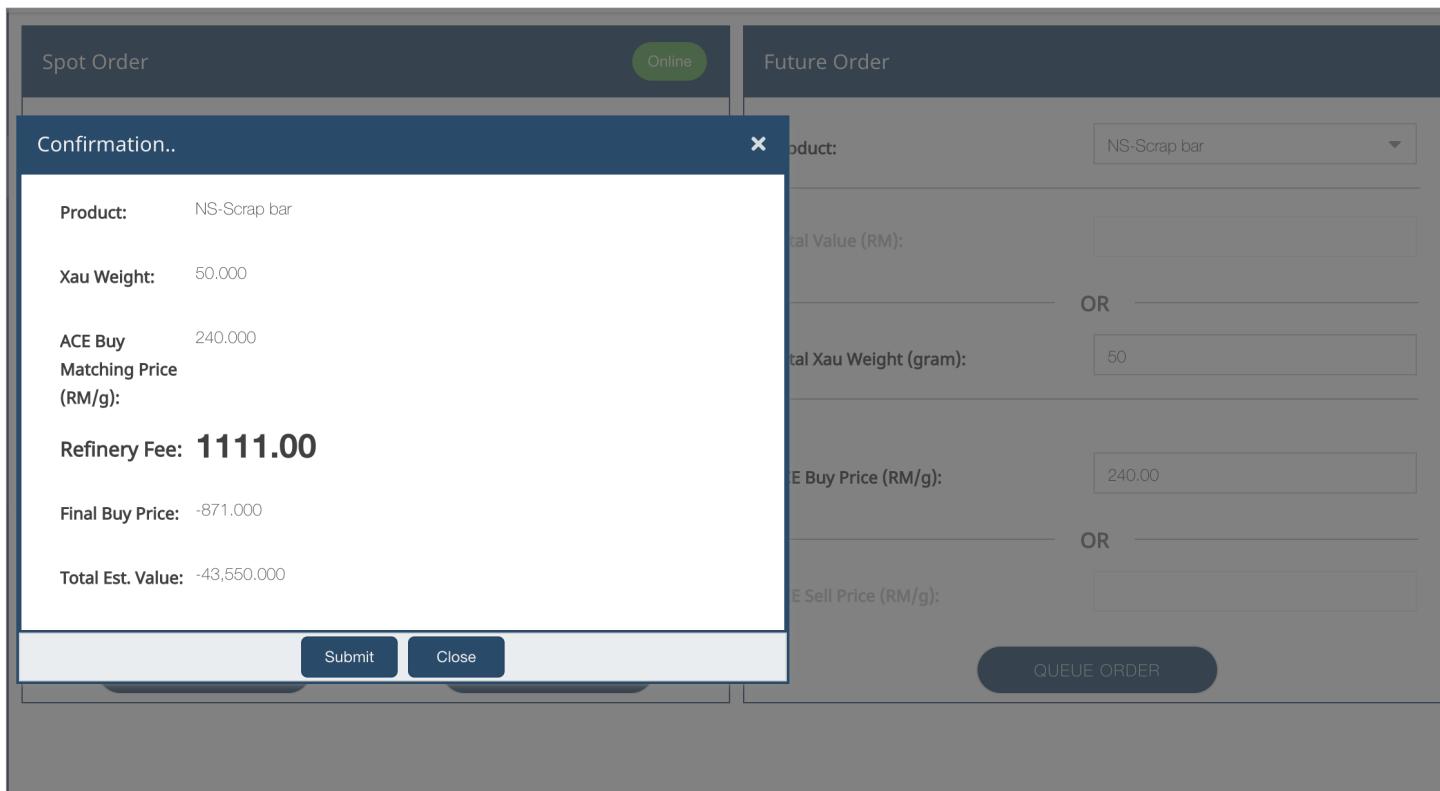

3. Select a specific date range to view your transactions starting from 7 to 180 days.

The listing of all unfulfilled Purchase Orders will be displayed here.

GTP User Guide

Confirmation of Order

To confirm your order, a pop up will appear displaying the details of your order. Once confirmed, you may click the 'Submit' button to successfully place your order.

The screenshot shows a 'Confirmation..' dialog box overlaid on a larger interface. The dialog box contains the following information:

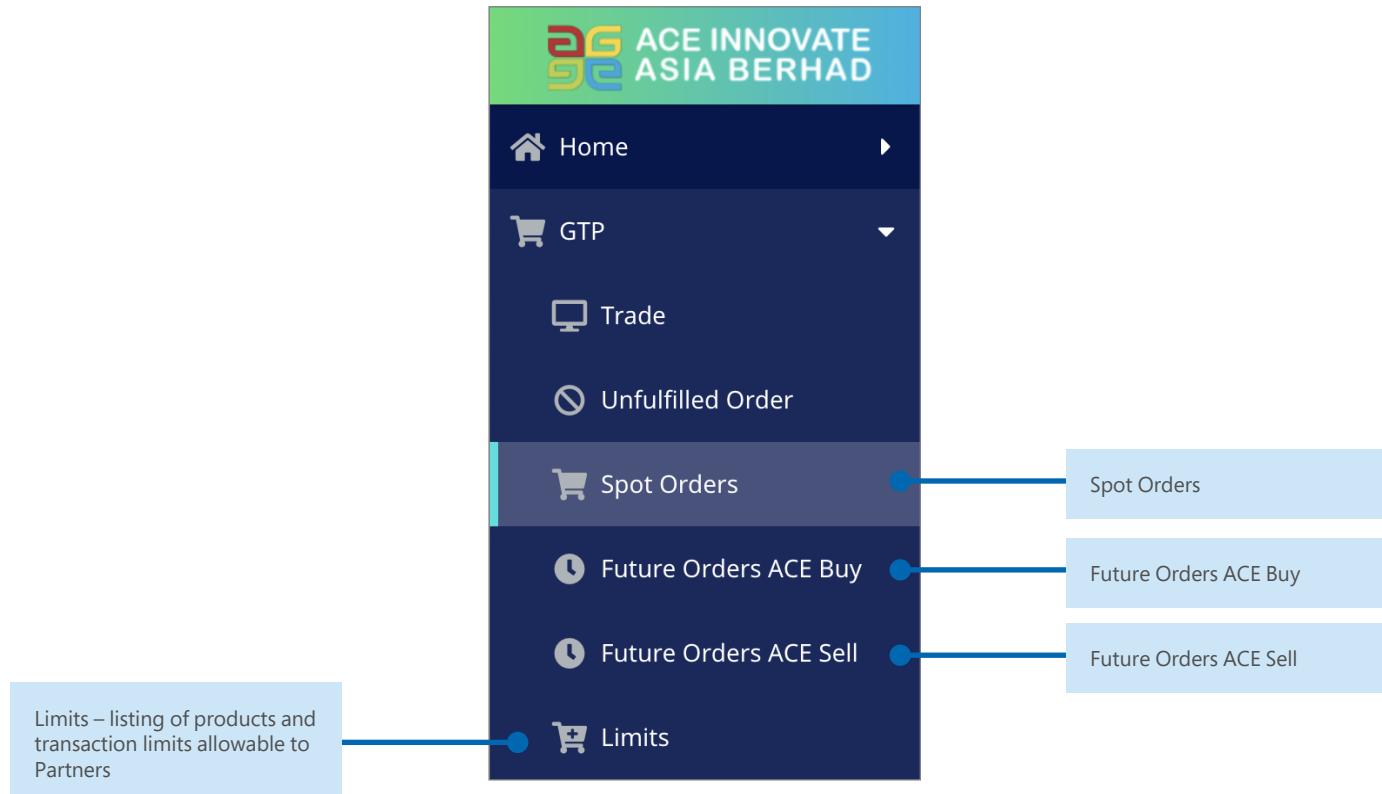

Product:	NS-Scrap bar
Xau Weight:	50.000
ACE Buy Matching Price (RM/g):	240.000
Refinery Fee:	1111.00
Final Buy Price:	-871.000
Total Est. Value:	-43,550.000

Below the dialog box, there are two buttons: 'Submit' and 'Close'. To the right of the dialog box, there is a large button labeled 'QUEUE ORDER'.

GTP User Guide

Detail Listing Viewing

For a complete overview of all your Spot Orders or Future Orders transactions, the options can be found on the sub menu of GTP.

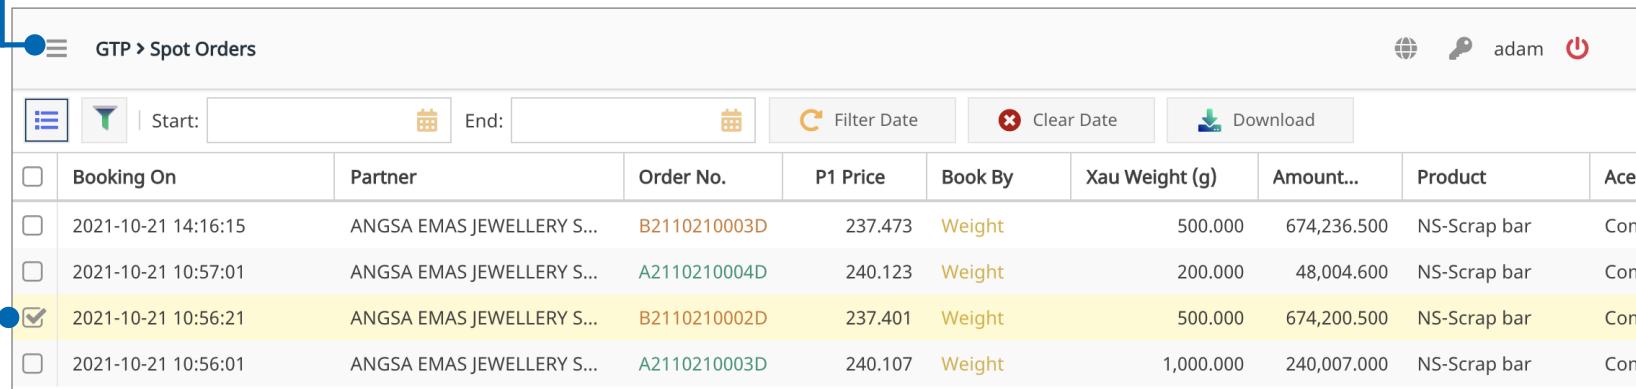

GTP User Guide

Spot Order Listing

To view all of your Spot Orders, you may head over to the 'Spot Orders' menu option to get a detailed overview of your transactions.

2. Click the hamburger menu (3 horizontal lines) to view the selected order details.

How to Change Password

Click on the 'Key' icon located at the top right corner of every page. Upon clicking, a pop up will appear consisting of the form to update your new password.

Click on the 'Key' icon located at the top right corner of every page. Upon clicking, a pop up will appear consisting of the form to update your new password.

The screenshot shows the GTP Trade interface. At the top right, there is a user profile icon with the name "adam". A blue arrow points from the explanatory text above to this icon. The interface is divided into two main sections: "Spot Order" on the left and "Future Order" on the right. Both sections have "Online" status indicators. The "Spot Order" section includes fields for "Product", "Total Value (RM)", and "Total Xau Weight (gram)". It also displays current prices: "ACE BUY RM 238.340 per gram" and "ACE SELL RM 241.052 per gram". The "Future Order" section has similar fields and price displays. At the bottom, there are "SELL" and "BUY" buttons under the spot order section, and a "QUEUE ORDER" button under the future order section.
